

Autumn Appeal: School Bags

[Samara's Aid Appeal](#) began in 2014, when God called Samara Levy to "start collecting" aid to send to the Middle East. Samara's vision to fill one lorry with clothing and supplies to Iraq, soon evolved into an extraordinary operation sending hundreds of containers and lorries of aid to the Middle East, as well as providing medical facilities in Syria.

This Autumn, Samara's Aid has the following appeal, which we hope you can help with!

School bags for Syrian children

90% of children in Syria now need humanitarian assistance. Many children drop out of school at a very young age and are sent to work instead of school to start earning money to support their families. This exacerbates the cycle of poverty. There are children who would love to go to school but cannot afford the basics. By putting together a school bag, following the lists below, you can help a child to gain an education and change his or her life.

There are three different school year groupings:

[School+Bag yr 7+\(secondary\)](#)

Please click on the links above to view the lists, which comprise various exercise books, stationery items and water bottles, all contained in a reusable drawstring bag. All items must be new – please leave shop labels and tags on the items. Please do not include anything made in Israel or Turkey, as Syrian law prohibits importing these. Full instructions are included in the links.

If you can't send a bag, but would like to help, you can donate money through the website [SUPPORT](#) page with reference "SCHOOL BAG" to their [GENERAL FUND](#).
